This is a Supplemental Response to the response submitted August 7, 2006 and should be treated as a substitute for that previously filed response. Since this supplemental response is being filed only one day after the previous response, there should be no increased burden on the Office. However, should additional extensions of time be necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to deposit account No. 20-0778.

The Examiner has required Applicant to elect to prosecute one of two groups of claims identified in the Office Action.
